

Insertion at beginning

31 August 2020 10:29 PM

Algorithm

```
Insertbegin(start,avail,item)
If avail=null
Print"overflow"
Exit
end if
save<-avail
avail<-link->avail
if start =null
start<-save
data->start<-item
link->start<-null
exit
End if
Ptr<-start
Start<-save
Data->start<-item
Link->start<-ptr
end
```
